The Smaller, Smarter Choice for A World-Class Education

- Students with outstanding tuition, cafeteria or student activity account bills will not be allowed to sit end of year exams or graduation.
- Families experiencing unexpected hardship (job loss, death, significant decrease in income, etc. are encouraged to reach out to the principal as soon as possible)

An increase in tuition does not necessarily occur each year. However, an increase of 3-5% should be expected when an increase is put in place.

Student Accident Insurance

Each student in the school is automatically enrolled in a Student Accident Insurance plan. This plan *only* covers students during school hours and cannot be used for regular doctor's visits. In most instances, parents will be required to pay upfront for medical service (or use alternate insurance). Insurance claim forms are then submitted for reimbursement.

Tuition Payment Options

- Payment in full (5% discount applied)
- Payment Plan A: 3 equal payments (payable in June, October or February)

Sibling Discount

- Families with 3 children: 15% discount is offered to the youngest child.
- Families with 4 or more children: 20% discount for the fourth and subsequent children

Available Discounts

The school will offer a 5% discount if the annual tuition is paid in full by June 1, 2023.

Parents/Guardians are responsible for the funding of:

Musical instruments, uniform releases, field trips, after school clubs, swimming (preschoolers only), yearbook and external examinations such as BJs.

Important Policy Note:

Tuition will not be refunded if a student leaves the term earlier than the end of term. Parents must give the school one term's notice, in writing, before withdrawing their child (see dates below). One term's fees may be paid in lieu of notice.

- *If student will not return for the Winter Term, the school must receive written notification on or before September 29, 2023.*
- *If student will not return for the Spring Term, the school must receive written notification on or before January 26, 2024.*
- *If student will not return for the Fall Term, the school must receive written notification on or before March 8, 2024.*

Late Enrollment

- Tuition is pro-rated for students who arrive more than six weeks after the start of a new term.

Seat Fees

Seat fees are payable each year in March for returning students and are non-refundable. The payment is deducted from the tuition charges due in June. The payment of a seat fee guarantees that a space will be available for a child in the upcoming Fall term. Parents who pay the seat fee agree to pay the balance of the tuition payable on June 1st.
